

Partnership Packages 2024

PAN-AMERICAN MEDICAL ASSOCIATION OF CENTRAL FLORIDA

www.pamacfl.org

: Pamacfl

President

As the 2024 president of the Pan-American Medical Association of Central Florida (PAMA), I want to extend my gratitude for your support of our organization. With nearly 200 members, our presence in the Hispanic medical community in Central Florida is robust. Our commitment to continued medical education and the promotion of open communication and collaboration among different specialists and subspecialists allows us to provide patients in Central Florida with exceptional care.

The success of PAMA over the years has been heavily tied to our sponsors. This partnership has ensured the viability of our organization for nearly 40 years. As you review the sponsorship options on the following slides, I want to assure you that this is an exceptional opportunity. With the Hispanic population being the largest contributor to population growth in Florida, the visibility of your business at our events, website, and/or social media channels will be impactful. Through this partnership we can highlight your business while sustaining our commitment to create events that foster collegiality and professional growth within our Hispanic healthcare community.

Our PAMA organization is looking forward to partnering with you in the very near future. Please do not hesitate to contact us with any questions you may have. Sincerely,

Hunaldo Villalobos, M.D.

President 2024
